What a fantastic cottage! We were impressed by the very warm reception and appreciated the gift of fresh eggs and beautiful wheaten bread. The cottage is very well appointed and we wanted for nothing (I was especially happy to see a dishwasher!)

Paul, I and Tess thoroughly enjoyed our stay and will be recommending this cottage to family. We couldn't have been more relaxed or happy to be here.

Many thanks again,

Christine, Paul
(+Tess!).

PS. It's ~~re~~ refreshing to see such a positive approach to reducing the cottage's environmental impact.

Dear Anne & Michael,

Thank you so very much for your thoughtful and generous welcoming hospitality. We are so happy to have been included in the extended-extended family to celebrate Mary + Enrique's wedding. Your cottage is lovely and we are all wishing a bit that we had planned to stay a little longer to explore the fields + environs. We'll know better for next time!

Affectionately,

What a beautiful cottage & what a wonderful stay! We have loved every minute of our time here and are so sad to be leaving. It really has been a home away from home. The kids have loved running around the grounds & feeding the chickens, they will miss it. Thank you for making it such a comfortable stay, Anne & Michael. We hope to return. And we will spread the word on this beautiful place.

Hope to see you again soon!

Apple Cottage is a perfect, quiet,
tranquil place to stay. It was
the perfect stop over between our
house move. We are thoroughly
relaxed before the mayhem of our
move into our new home. Thanks
for everything.

A lovely, centrally positioned cottage for visiting N.I. An action packed week: Castle Espe, Mount Stewart, Carrick-a-rede, Giants Causeway, Belfant (from Carrickfergus) Strangford, Castle Ward, Derry and the railway museum at Whitehead all easily accessible. Weather not bad for time of year. Enjoyed the peace and tranquility around the cottage.

What a beautiful cottage, so well set up with every equipment to make our stay so enjoyable. Even through Storm Ali the family made sure we were catered for & safe. The cottage provided a central point for us to visit our relatives in this area & a joy to stay in. We will be sorry to leave this area & head back to Nottingham England.

Thanks again.

Dear Anne & Michael,
Thank you so much for having us! We didn't expect such an extraordinary home away from home and it is hard to say goodbye. Our 18mo. old daughter, Alice, loved visiting the chickens and cows every day and taking walks along your grand shaded lane. Everything about your home is spectacular and has convinced us we need to move out of downtown and into the country back home.

Wishing you the most wonderful summer and year ahead. Thank you for your hospitality.

Sincerely,

Everything about the cottage and our stay exceeded our expectations. Thank you to Anne & Michael, whose hospitality was impeccable; we were made to feel at home and for that we are very grateful. Though the weather was up and down, we never wanted for warmth thanks to the wood-burning stove. We will be back in the future without a doubt, and wish Anne & Michael the success they deserve for their home away from home.

THANK YOU SO MUCH FOR A WONDERFUL STAY
IN YOUR WAY OVER-STOCKED COTTAGE: THE AMOUNT
OF GADGETS AND HOME CONCERTS HAS MADE IT A REAL
PLEASURE FOR US TO EXPERIENCE, RELAX AND EXPLORE.

WE HAVE ALSO BEEN BLESSED BY WHAT MUST HAVE
BEEN THE BEST WEEK OF WEATHER N. IRELAND HAS HAD FOR
MANY A YEAR! LUCKY US EH? - THIS HAS BEEN AN
IDEAL BASE FOR VISITING THE COAST, GLENS AND FURTHER
AFIELD - AS FAR AS LONDONDERRY ETC. WE WERE SO FORTUNATE
ALSO TO SPOT A POD OF DOLPHIN WADING UP THE COAST NEAR
GLENARM & CUSHINDAL JUST TO FINISH OFF OUR STAY ON
FRIDAY.

ALL THE BEST TO YOU & THANKS AGAIN

HELEN & GRAHAM - ABERGEE.

We're over for a family wedding. The
cottage has been perfect. I never imagined
it was as big as it is. Such a blessing
to have somewhere for my family
to gather and spend some quality
time together - in front of the
wood burner!

It's just perfect.
and the arrival eggs and
bread were very welcome too.
Thank you Christine
