Dear Anne.

We discovered Cherrybrook four years ago and we fell in love with it. On our trips to Northern Ireland the first things to check were - if Cherrybrook would be available. This place makes us feel like at home. We love the surroundings, Applebarn is so cozy, etc.

I enjoyed very much our conversations with you about Northern Ireland stories.

Thanks very much for your hospitality and being constantly checking how we were.

We'll come back sometime for sure.

Thank you.

This place is beautiful. It was our final stop on our honeymoon. Of all the places we stayed in Iceland, Italy, Switzerland, and Ireland - this was our favorite.

Thank you for your hospitality and opening your beautiful space up for others to enjoy.

Thank you!

Dear Anne,

We wanted to say how much we thoroughly enjoyed staying in your lovely cottage 'Apple Barn'.

We found the accommodation so homely and comfortable, yet a easy distance to the city centre and other landmarks we visited e.g Titanic Belfast and Game of Thrones Studio tour.

Thank you for the welcome gifts, baking, milk, eggs etc - it was such a lovely extra little touch!

We would highly recommend your Air BnB.

Dear Anne and Michael,

It feels as though we flew in and out on a breeze. Your hospitality has been amazing. The bread was super filling and delicious. It was also kind for Michael to try and help us with our insanely smart car with the wacky lights.

While we were here, your lawn mower robot was super cool to see. That was interesting at night seeing small headlights as we were walking to say hello to your cows. They were all smiles and super happy as we talked with them.

The atmosphere in this area is super relaxing and beautiful with its variety. You have the grasslands with sporadic trees, & the cliffs near the water and wooded parks. We could not get enough of the outdoors.

The place was very clean, welcoming, bright, and well stocked. We would highly recommend you and will keep this place in our hearts.

This will always be our first trip out of country with the Apple Barn as our first stop in that trip.

As we found other people's comments on what they did helpful, we shall leave a similar list.

Must See / Go: Ness Park (beautiful & quick trails), Londonderry/Derry (lots of history & friendly locals) - the wall, Mary McBride's Bar in Ballymena (ribs & cod are out of this world!), & driving the Coast Rd (super beautiful, but be good with driving!) Thank you!

Dear Anne & Michael,

We cannot thank you enough for having this place be as magical as it was. The location and the place of staying makes a trip successful. This was our first air B & B stay and you have made it memorable in all the right ways.

Thank you,

Dear Anne & Michael.

Thank you for your wonderful hospitality. Apple Barn is a very peaceful and idyllic place to stay. We thoroughly enjoyed our stay here and the wonderful recommendations of Spice & Sleepy Hollow Restaurants, suggested sightseeing locations. We would happily recommend your place to anyone we know coming to Nthn Ireland.

We really enjoyed our days here.

This peaceful and quiet place, the "green" landscapes, your hospitality - everything made it a wonderful vacation for us.

After the wonderful excursions to the coast and the cities, the surrounding area, the barn was the best end to the day.

Best wishes for you and your family

Anne

Thank you so much for making us feel so welcome. Apple Barn was so cozy, having everything needed for a great holiday.

would recommend Ellie Mays for a meal - lovely staff and decent food. The Glens causeway is a must and if you are brave - Carrick-a-Ree rope bridge. An added bonus was a detour to Ballintoy Harbour. The Causeway coastal route was a lovely way to see what this lovely place has to offer. Also a must is the Titanic museum and the open top bus tour.

Thanks again

Dear Anne + Michael -

Your Apple Barn is splendid! We enjoyed all your thoughtful little details found in every corner of the place. Thank you for your kindness and lovely hospitality.

Kevin

Thank you!

We felt so calm and peaceful here; and if we could, we would bring all the people we know and love back to 44 Cherrybrook to delight in it the way we have. (Sad to have missed the cat - but did get to meet the friendly little dog.) All the best to you, and many thanks!
